

Safety and Sign In Procedure

When you enter on Sunday morning, please go through the guided roped off area into the children's sanctuary. If you are visiting, we will ask you to complete a visitor's information card so we may have valuable information on you and your child. This will help us know how we can better minister to your child and his or her needs.

Upon completing the card, you will receive a visitor's ID card that will match the number on your child's nametag. This number will allow us contact you easily during the service without disruption, should we or your child need you for any reason.

Please return the ID Card after the service is over; only the person carrying the card will be allowed to pick up your child.

For the safety of all children, we ask that any adults wishing to be a part of the NCC Kids Ministry Team fill out an application and meet with Pastor Chuck prior to serving. Each volunteer will be prayerfully considered and given a background check.

If you wish to stay and observe a children's service, we ask that you give your child one Sunday to take part in a children's service before you sit in with them. Our desire is that all children have an opportunity to develop friendships in children's church.
