

Special Events

We have two special events that may take place during the year:
Vacation Bible School and Fall Festival.

Vacation Bible School is a week long “camp” for kids ages 5-12 (first through fifth grade). During this week the children learn about God, make crafts, play outside and have a snack. All of these activities relate to a central theme.

VBS is not currently scheduled for 2011. More information will be posted when dates have been determined.

Fall Festival is a time where families can come together for food, fellowship and games. Children ages 3-12 can play games in order to win prizes. Fall Festivals are scheduled based on the other activities being held at New Covenant. The festival is usually in mid-November.

Currently, we do not have a festival on schedule for 2011. More information will be posted, should a date become available.
