

Brothers,

Welcome to the *Cutting Edge – The Men of NCC!* Are you interested in teaming up for the adventure of having a deeper walk with Jesus and deeper friendships with other men? If so, the Cutting Edge has a place for you! Our mission is to *leave no man behind!* Christianity is not a solo sport. It is a team sport and we need each other.

What type of man does God use? Look at the story in Mark 2. Four men hear that Jesus the miracle worker, is coming to town, and they commit to take their paralyzed friend to Jesus so he can be healed. Why would these friends go to such trouble? Because they knew their brother would be transformed and healed when brought into the presence of God! These were ordinary men, who took an extraordinary risk!

None of us, including me, have our lives “all together.” We share the same hurts, joys, struggles, fears and frustrations. A great place to share life, grow in Christ and be equipped to influence others is in our small groups, called *Band of Brothers*. It’s a team of four men who encourage and empower each other on their spiritual journey.

The Cutting Edge Ministry has quarterly gatherings where all the men come together for a special time of food, fellowship, fun and being challenged to be what God has called you to be. In October, we travel to nearby Norman Park, Georgia, for our annual Advance. It’s a jam-packed weekend with incredible speakers, praise and worship, great food, and getting teamed up with other men who will sharpen you.

Brothers, I encourage you to join us in the Cutting Edge – The Men of NCC as we build better and stronger relationships with each other, and Jesus!

Strength and Honor,

Steve Parrish
