

NEXTGENERATION

SCHOOL OF LEADERSHIP AND MINISTRY

Next Generation School's partnership with Christian Life School of Theology (CLST) provides Bible College credit, possible transfer of credits from other colleges, and potential ministry experience credit. All of this can be obtained at an extremely low cost for a quality, Biblically-based education. Upon completion of coursework, you will receive a certificate of ministry from CLST and NGS along with Bible College credits that can be applied toward a degree through CLST (additional courses are available through home study).

SCHOOL OF LEADERSHIP AND MINISTRY

I PETER 2:9 • "BUT YOU ARE A CHOSEN GENERATION, A ROYAL PRIESTHOOD, A HOLY NATION..."

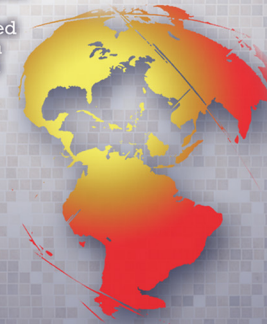

The importance of training current and emerging leaders has become increasingly apparent over the last few years. As postmodernism and relativism continue to invade our culture, we must raise the Biblical standard of truth higher than ever before.

Next Generation School (NGS), endorsed by Pastor L.A. Joiner and Christian Alliance of Ministries (CAM), and partnering with Christian Life School of Theology (CLST), is designed to help prepare, train and equip Biblically skilled leaders. The theme for the NGS is, "Training and Equipping the People of God to Impact our Generation and Generations to Come." The school is truly for everyone, whether they feel called to full-time ministry or marketplace ministry. Every member of the body of Christ is a minister and every member is called for His purposes.

We are a missional school at our core. This means that we want to cultivate within each student a mindset and passion to transform lives wherever they live, work, and play. You will be prepared to engage the culture to which God has called you! The NGS and CLST training experience is not just for education but for impartation and application into your everyday life.

Each week students will receive instruction from members of CAM who represent the five-fold ministry gifts, as well as instruction via DVD media provided by CLST. You will learn from proven, seasoned leaders of maturity and integrity.

Come join us, and receive a strong foundation from the Scriptures that you can build upon for the rest of your life!

NGS students are a diverse group of adults of all ages who have a passion to grow in Christ and be active agents of change in the world to which God has called them.
