

## Safety and Sign In Procedure

There will be a sign up sheet located on the outside of each nursery classroom. Please find the class that is age appropriate for your child or children. You will be given an ID card for your child. We will use the number on the card to page you from the main service, if you are needed for anything. Please pay special attention to the numbers appearing on the screen in the main service. If your child's number appears, please come to the nursery as quickly as possible.

Parents are asked not to bring their children if they have any of the following:

- Nasal discharge (Other than a minimal, clear discharge),
- Any discharge or matter around the eyes,
- Fever (Must be fever free for 48 hours),
- Vomiting (Within the last 48 hours),
- Rash,
- Inflamed throat and/or mouth,
- Prolonged or contagious coughing,
- Head Lice,
- Open wounds without proper bandages, and
- Unusual restless or irritable behavior.

Children being treated with antibiotics should be on the drug for at least 48 hours prior to staying in the nursery. If you have any questions, please check with the Nursery Director. The Nursery Director's decision is final. For the welfare of all, parents are heartily encouraged not to bring sick children to church.
