

Message from our Women's Ministry Director

Our desire is to see every woman develop an intimate relationship with Jesus Christ, so that she may walk in the fullness of who God created her to be. You are not designed to stand alone. As we come together in the "unity of the Spirit" (Ephesians 4:3) to study God's word and build relationships, we are equipped to overcome life's challenges. We all need the love and strength from other women to encourage us in our Christian walk. We invite you to come as you are and get connected, as we allow the power of God to transform us for His glory.

The Women's Team
