

Meeting Times

Elevate is a high impact youth service that happens every Wednesday night. The doors open at 6:30 and the youth have games and activities until about 7:20, at which time we get everyone together and begin our worship service. A youth led worship team will lead us in giving all glory and honor to our Lord and Savior, Jesus Christ. After which, the youth will hear a message from God's word that promises to stretch them and challenge them, as well as motivate them to live a life for Jesus. Wednesday service ends at approximately 9:00 p.m.
